Volodimir NORBA - Salon chairman

Dear friends,  
photographs capture a moment that's gone forever, impossible to reproduce.  
Granted to mankind the art of photography the 3rd Photo Salon «Carpathian Drag» 2020 having joined efforts of 352 authors from 54 countries revealed to us the unique facets of the present. For us organizers photographic art as a way of finding something interesting at ordinary places is above all.

But this is the art created by you, dear photography friends. This year we received 4207 photographs, of which 48 photographs have won awards.

It is a pleasure to acknowledge that we have been meeting for a long time at competitions organized by Photographic Art Association of Transcarpathia. Your participation emphasizes the prestige of the awards of our Salon and I hope that the authors, inspired by the 3rd Photo Salon «Carpathian Drag» 2020, will use the photography as an art of observation, opening unique moments of life with a new emotional enthusiasm.

Thank you very much for participating in the Salon.

See you in 2021!

Sincerely,

Volodimir Norba – Salon chairman.
